

MAKARONITEHDAS

At Makaronitehdas, we focus on making fresh pasta dishes with an artisan's uncompromising professionalism. The heart of our kitchen is a large Italian pasta maker. Its bronze blades turn our dough, made of Italian durum wheat flour and Finnish eggs, into irresistible fresh pasta.

CHOOSE YOUR OWN CULINARY JOURNEY

Whether you want to try multiple new flavours or enjoy a favourite you know and love, our serving sizes are suited to any occasion. Delicious pasta as a starter and a filling salad as the main course? Coming right up! You can also order smaller portions, with complementary quality wines to accompany them.
